Financial Aid Information: http://www.tn.gov/collegatepays/
Free Application for
Federal Student Aid (FAFSA): http://www.fafsa.ed.gov

Important Points to Remember:

• Attendance is important – If a student has been absent five days without adequate excuse is considered truant and may be summoned to court. The updated policy can be found at:
  http://www.cmcss.net/departments/instruction/attendance.aspx
• A student will be exempt from a second semester final exam provided the student has a 93% or higher for each 9-week grading period during the second semester and the course is a full year class.
• Students are NOT exempt from End of Course Exams (EOCs) and they account for 25% of the grade in the course.
• If you are interested in playing DI or DII sports in college, you must register with the NCAA Clearinghouse. Ask your counselor for more information.
• If you are interested in graduating with honors you must talk to your counselor about the requirements for each category.
• Students are promoted at the end of each school year based on the following:
  o One year attendance and 5 credits earned - promoted to the 10th grade
  o Two years attendance and 10 credits earned - promoted to the 11th grade
  o Three years attendance and 15 credits earned - promoted to the 12th grade
